From the desk of the Grand Knight

Worthy Brother Knights:

The summer is flying by. If you haven’t been able to find time to enjoy it, you better hurry up. Get a few more golf games, swims, picnics or whatever in. We’ll be shivering before you know it. Likewise, if you’ve been meaning to get more involved with the Knights, and haven’t gotten around to it, there’s no time like the present. Join our successes…

It looks like we’re on a role despite the pandemic! As many of you know, our Annual Family Picnic was another great success. Joe Stafford and his crew certainly have this all figured out.

See the articles below for the news!

Unfortunately, we had to postpone the Installation of Officers because Father Marc was unavoidably detained. We will, of course, reschedule, and we’re trying to find a time that will be acceptable to most people.

COVID and the DELTA Variant are surging, so please be careful…

Thank you for all you do for our Council and the people and organizations we serve!

Vivat Jesus!

Ron

Who is Joe Balzano, our Deputy GK?

Born in Portland, ME, I grew up spending my summer and winter vacations working on my dad’s commercial fishing boat, the Jerry & Joe. Family and friends where always gathered around the table on holidays and Sundays, enjoying one of the many Italian specialty dishes that my mother cooked.

I attended Cheverus High School in Portland where I was the student of Fr. John Michalowski, who later became pastor of SS. Mary & Joseph Parish.

I have worked selling chips (the salty kind) for most of my career after graduating from Babson College. Currently I am the VP of Sales at Utz.

My wife Jen and I moved to Salem 15 years ago and have been active in the parish and community ever since. Our two daughters Julia (12) and Laura (13) will be entering 7th & 8th Grade at St. Joseph Regional Catholic School in the fall. Jen serves on the board of directors at St. Joe’s and is a Girls Scout leader in Salem. My children stay active playing piano, soccer, running cross country, and Girls Scouts.

My favorite activities include spending time with my family (traveling and vacationing), boating, downhill skiing, beach time and visiting my brother out on Chebeague Island in ME.
Opening prayer led by GK Ron. Officers not attending were Dan Norris, Jim Harvey, Tom Campbell, and Bruce Silver, all excused. Minutes of July meeting were read by Worthy Recorder Dan Zavisza and accepted. There were 36 people attending, with 27 in the hall and 9 on ZOOM. The start time was 7:30 PM.

Chaplain’s Remarks

Fr. Marc was attending a meeting with Fr. Charles and the Bishop and unable to attend tonight.

GK Opening Remarks:

- Let us pray that the COVID infection rate stays low. If you’d like to keep track of it, the State Dashboard provides a lot of useful information and can be found here: Welcome | NH COVID-19 Response
- Installation of Officers is postponed to a later date. After discussion about the best times to meet and what happened years ago, we probably will have it after the next council meeting.
- Safe Environment Training is needed for four council members holding specific offices. As usual, getting permissions and logins with Supreme is problematic.
- Farewell Father Brian – Ron held up a bulletin from St. Matthew with some very nice background and photos. CLICK HERE for Bulletin
- New Communications Director(s) are needed. (See page 11)
- Send your Activity Reports to activityreport@KofC4442.org Ed Herger has volunteered to take over from Mike Banks; send your email reports as usual, and Ed will fight with getting the uploads to state.

“Thank You” letters, cards, and notes received:
- Card from American Cancer Society in Framingham.
- Step Up Parents for our $250 donation
- Ron read an excerpt from the St. Gianna’s Place newsletter, highlighting their work with young mothers and babies.

Donations
- Arthur Tillberg sent us $100 along with his change of address note. Thank you, Arthur!

Tip of the hat to:
- Joe Stafford and all those who worked to make our Summer Picnic a success. (See the story on page 9-10 - ed)
- Special thanks to Al Hamel, who collected $245 for the 50/50 raffle.
Treasurer's and Financial Secretary's Reports: Bob Fournier and Al Cormier

Bob presented the monthly treasurer’s report, and the council is in good shape financially. Our expenses were down from last year and our income is up with the amazing increase in bingo revenue. He will be moving some money from the checking account to our savings and donation reserve accounts, where they will get some interest.

Al Cormier gave his report, via ZOOM. The council membership stands at 246, up 4 from July.

Committee Reports - DGK Joe Balzano conducting

Membership/Admissions – Norm Comeau

Norm presented degree certificates to Chanel Vachon and Robert Cohen. (Bob could not attend inside the hall, so Norm made the presentation in the parking lot. The newsletter camera man happened to be passing by. - ed)

Culture of Life – Pete Klecan and Dennis Groulx

- NH Right to Life annual Banquet is Thursday, October 21st, reception starts at 5:30 at The Executive Court Banquet Facility in Manchester. Click here for LINK with details, speaker info, tickets, etc.
- Pregnancy Care Center Annual Fundraising Dinner is also October 21st. It will be hybrid.

Knight of The Year Banquet - Charlie Walsh

Charlie reported that about 40 tickets have been sold already. Tickets are $35/pp; the banquet is on Saturday night, starting at 6:00PM on October 2. An email was sent to the members with all the info. For those without email, call Charlie at 603=548=2527 for tickets. Make checks out to “KoFC Council 4442.”

Web Site / Newsletter / Communications - Paul St.Amand

There are now ten months remaining before I retire as newsletter editor, web moderator, and email sender for the council. See Page 11 for a brief description of two of the jobs. After 10 years, it’s time for new blood and a change!
Coats for Kids - Paul St. Amand
I will be making a second round of calls to the schools to get tally of their needs in September, once the Salem school year resumes. I did not get any replies from my phone messages last month from the elementary schools. Probably the people in charge were on summer recess.

There is a new request for coats from Kay Barretto, working with Debbie Payne in the superintendent office. I anticipate that the request will need more money for coats this year. See the notice of motion below.

Tootsie Roll Drive – Pete Klecan/Gene Bryant
Pete reports that we have gotten approvals back from Market Basket and the NH Liquor Store for our drive. We are awaiting responses from several other sites. The date for the drive is September 17, 18, and 19.

Gene updated the situation at the transfer station. The powers that be insist that all collections for all charities be done on a side pull-off, for safety reasons. The side pull-off would not be accessible to the driver side, and folks, after dumping their load, probably won’t make the detour to contribute. This will affect all charities. But, things may change, we hope.

Bingo – Ron Bourque:
Ron reported that as of the past month, we are ahead of the previous largest net profit ever. We can do a lot of good with the money we receive.

Thanks to Paul, Lou, and Almighty God.

Larry Belair passed on good news that Lou and Maryann Stella must be recovered from their car accident of several months ago… Larry saw them at the Encore Casino enjoying the action!

Check out the Bingo Face Book page at: Bingo at the Veterans Hall.

Texas Hold-Em – Larry Belair
Larry talked about the new gaming that might change the formula for how lottery and gaming money would be distributed. The state will introduce new machines that mimic horse racing. CLICK HERE for a web article on this “Historical Horse Race” gaming. The machines would share the existing floor space of Chasers and compete with the Texas Hold-Em action. The State says that any new money from the Horse Racing would be allocated to new charities. The existing Texas Hold-Em money would continue to the existing charities, such as our council. The State “predicts” that we would not see a decrease in profit, even though there would be more action within the same building, probably from the same number of people in attendance. Our next nights are in mid-November, and the new machines will be in place shortly. We (and the other existing charities at Chasers) will see what happens

Larry emailed after the meeting: “In speaking with Lisa Withrow at Chasers, she advises me that our 2021 dates and expected revenues should not be affected until at least January when it is expected that the Historic Horse Race gaming might begin. Our last 7 dates are scheduled for November and December. She also indicated that having the HHR in her facility will depend on having available space for the new machines. Chasers and I continue to work with Sen. Chuck Morse to try to make sure that our revenues are preserved.”

Scholarship Committee – Joe Stafford (Joe was working, but Ron asked all the members at the meeting who helped with the family picnic to stand up and be recognized and thanked. See the report on Page 9 for all the details! -ed)
**Blood Drive – Butch Kealey**

Butch reported we are at 556 pints collected this year, combining the efforts of our council, Salem Fire and Police, AAA, plus others. We have not charged these organizations with a hall rental fee. However, new folks are asking to use our hall for their blood drives, and we will charge them. (Our hall does get wear-and-tear from the events and incurs heat, air, and electricity bills.)

Ed Lynch submitted the activity report for the July 22 drive, at which 57 pints were collected. Thanks to Butch and Elaine Kealey, Tom and Mary Campbell, Ed Lynch, Norm Comeau, Bill Richards who worked the event. The next council blood drives are Sep 16 and Nov 18. (See the council calendar for all dates. - ed)

Butch also said that the Red Cross expects that NO FOOD will be allowed to be served until Jan 1, 2022... maybe. And on a Covid note, all donors and workers in the hall are wearing masks as all times.

**State Charity Raffle Tickets – Mike Petrilli**

Mike reported that so far, we have received $1,715 for the 2021 raffle. The NH State KofC charity ball takes place on October 2, when the winners will be drawn. Please return your ticket stubs to Mike so that your tickets will be included.

**TAPS – Tuition Assistance for Parochial Students – Mike Petrilli**

See the report on Page 10 for all the info.

**St. Joseph Regional School – Gene Bryant**

There will be a capital campaign to upgrade the fire suppression system in the school per the town codes. The plans have been prepared and submitted to the Diocese for review and first approvals. (I think Gene said that DD George Fredette’s SFC Engineering Partnership, Inc. fire protection and civil engineering company prepared the plans. -ed)

**Wheelchair Ramp – Gene Bryant**

Gene reports significant progress on the transfer of our ramp program to Easter Seals, under the supervision of their Veteran’s Services staff, and funded directly from their sources, with a promise from our Council to assist with funds from our budget going forward. At first, only Veterans would be eligible for the program; these ramps get the veterans out of the hospital, or the VA facility, and back into their homes and with their families. Easter Seals has now also agreed that “civilian” needs of our Knights would be honored as well. We are rapidly closing in on the final agreements and legal papers, to be approved by our council. See the Notice of Motion on page 6.

**Corporation News – Mike Petrilli**

The corporation meetings will resume in September.

Mike reported on the painting of the parking lot lines and markings for the hall. In the past, this project was done by contractors at a cost of $1,500; Mike recruited his son, and together they did the project for about $200 in material. A well deserved round of applause to Mike for his gift of labor and cost savings! Thank you, Mike and Son!

**REQUEST -** For all drink or water bottles and cans that are to be thrown away in at the hall, Mike requests that you empty them into the sinks or toilets before placing the container into the trash barrel. A half-full container leaks into the plastic bags in the barrel and attracts bugs and mice. And the bags become very heavy, risking tears.
**Old Business:**
The following Notices of Motion were each moved from the table, opened for discussion, then voted on.

A **Notice of Motion for $15,000** for funding the Handicap Ramp Program, requested by Gene Bryant. Motion was discussed briefly; Gene added that Easter Seals will also include in addition to veteran’s needs our own Knights “civilian” requests for ramp service. Such recent examples were Jimmy Johnson’s father, Ed Mccann, AND Skip Troisi. The council will hand over total management to the Easter Seals program. Motion approved unanimously.

A **Notice of Motion for $5,000**, requested by Bob Fournier. **New Generation** is the newest Catholic Charities Program to help pregnant mothers, single mothers and their children facing homelessness. They provide temporary housing, transitional housing and assistance with permanent housing. Details at the web site <Click Here>. This program is very similar to St. Gianna’s Place, which we support; however, under Catholic Charities, the **New Generation** will cover a wider geographic location than St. Gianna’s Place can support. Motion approved unanimously.

A **Notice of Motion for up to $2,500** was made, presented by the Trustees on behalf of Paul St.Amand. This motion is to increase the already budgeted amount of $4,000 for the Coats for Kids program. A new request has come from the Salem School system, by Kay Barretto, to support the “End68” program to include clothing. In 2019, the total coats budget was $8000; this motion will bring the coats budget up for 2021 to $6,500. Motion approved unanimously.

A **Notice of Motion for up to $2,000**, requested by George Masciarelli. This motion is to replace the front door and casing facing main street. This is an emergency door that has issues with rusting and frame rotting. The motion is up to $2000 for a complete door package, including crash bar and closure, and repair of any structural damage supporting the door. The estimate was provided by Cyr Lumber. Motion approved unanimously.

“**Point of Privilege**” - Larry Belair rose to remind the members about the Notice of Motion process. While we approved these notices of motion unanimously, Larry reminded the members that when we pass motions for this amount of money (more than $500), the approval must be by two-thirds of the members present and voting, and recorded as such. He mentioned that the note taker (me) includes this result in the newsletter. *(Last July, a NOM failed by two votes from the required 2/3 majority. -ed)*

**New Business:**
Trustee motions:
A request for purchase of four tickets to the NH Charity Ball. The cost will be less than $200. Approved.

A request for $120 for food and beverages for the deceased members’ luncheon. Approved.

A request for $135 for altar server gift cards. This would be for 9 servers in the parish. Since this would be for $15 each, an amendment was proposed to increase the gift to $25. The total motion would be $225. Approved as amended.

---

**District Deputy Report - George Fredette**

George brings “Greetings” from State Deputy Raymond A. Lemay Sr.

Coming up in September 17-19 is the **Men’s Retreat at Camp Bernadette** in Wolfeboro, NH. Click on the link for details.

Delta Church Drive training is available on-line August 18, 25,and 28.

He would like to increase the interaction among councils in his district. He was glad to see several 4442 members attending the July 20 Rowe v Wade viewing at Windham. Maybe we can combine activities such as the Free Throw Challenge. Londonderry has already expressed interest.

Did you know that less than 1/100% of US companies make it to 100 years old, companies like Coca Cola, Dupont, GE are among the elite. We can be proud to belong to the K of C which is going strong at 139 years old. It is our mission to continue the mission.

From the officer installation ceremony: “Your council will be judged on its actions. Focus your energies on strengthening parish and family life. This will build a lasting legacy for your council.”
Some Contact Information for our Council Members' quick access:

If you have a question and need to talk, but don't have email, one of us should be able to get you an answer! Email links for GK, Trustees, Hall Rental Manager, Corporation President, and more are on the web site.

Corporation  Mike Petrilli  603.893.4784  Hall Rental  George Masciarelli  603.893.3035

Corporation Hall Rental Policy

For hall rental call George Masciarelli at 603-893-3035. Or, go to the council web site and contact him through email. George will match your needs with available dates and send you a rental agreement for your signature and deposit. You must be a member of Council 4442 and/or Assembly 0641 to rent the Corporation Hall, and, you must remain at the hall during the rental period. Full details of fees and policies are available on the web site: Corporation Hall Rental. (Any charity wishing to use the hall must have a sponsoring Knight sign for it.)

George can also arrange for members to get a key to the hall.

GOOD OF THE ORDER

Dick Collopy announced the time of the annual Deceased Members’ Mass to be Sunday, September 12, at the 11:00AM Mass at Mary, Queen of Peace. After the mass, we assemble at the Pine Grove Cemetery for the roll call. We return back to MQP for gathering and refreshments.

Don Simmons requests volunteers for the parish “Consolers” group. The consolers serve mass at funerals.

“I want to thank Larry Belair and Norm Comeau for volunteering to serve at a recent funeral mass. Larry was let off the hook when a family member volunteered to serve with Norm at the mass. Norm, you were a great help, thanks.

My objective in mentioning this is to make our brother knights aware of the need for consolers at our funeral masses in our parish. Many of us were altar servers years ago, so we are familiar with the process. We try to have three servers at each funeral mass. this is becoming more of a challenge. And the servers are not only men; women also can serve.

I am asking if any of our knights are interested, please let me know. Over the years some of you have been consolers, thank you for your help. I want to get others involved. There will be no other additional responsibility other than serve at mass; our consolers coordinators do all the planning and meeting with the family.”

4th Degree  Bill Richards

Bill congratulated the council; many new members of 4442 have joined the assembly, allowing the assembly to be qualified for several awards and grants.

There will be a funeral mass at St. Anne, 10:30AM, Hampstead, Tuesday, August 17, for a Past Grand Knight. The honor guard will allow both the new uniform and Sir Knights with tux, sword baldric, and white gloves. (No regalia.) (A call to muster was sent out by email to the assembly members. -ed)
Council to Council Aid – Larry Belair
Larry reported that he has a small work group of 7 or 8 members that will meet to hammer out the idea. The concept is that with the ample funds our council enjoys because of charitable gaming, perhaps our council could help other NH councils, which might be small and have little funds, in various projects. While we would not propose to pay another council’s dues or normal expenses, we could partner with a council in some major charity event that they are struggling with. We might match what they fund raise on their own. We would want that council to have “skin in the game.” Anything Larry’s group comes up with will have to be vetted by our whole Council.

(In the recent past, Ron Bourque made connections with other councils in their efforts to purchase ultrasound machines through Supreme. Our gifts to those councils advanced the Culture of Life mission of the Knights. - ed)

Lecturer of the Month (LOM) Reflection: Ed Herger
(Paul St. Amand was appointed by GK Ron to be the “lecturer” for the year… as far as Supreme is concerned. HOWEVER, Paul is asking newest members of the council to be a “guest lecturer” that month. This will give the new members a chance to speak up and be heard, to get more involved in the council, and for the rest of the council to get a fresh perspective on our newest members. Ed Herger is the first LOM (Lecturer of the Month.)

Ed has an Air Force background, both active and reserve. For his topic, Ed chose military chaplains. Based on a recent Columbia article as well as his own personal interactions, he told us of several notable military chaplains, from the Civil War up to today. One example is Rev. William Corby, whose fascinating life story starts with birth to Irish and Canadian parents in 1833, attending Notre Dame as a student, answering the call to priesthood, then joining the Union Army in the Civil War; he gave general absolution to the Irish Brigade at Gettysburg, and then became twice president of Notre Dame. There are statues at Gettysburg and at Notre Dame, commemorating this absolution. (The statue’s nickname is “Fair Catch Corby,” from its appearance as a punt returner with his arm raised to signal a fair catch. That goes along with other “Fighting Irish” football landmarks like “First Down Moses” and “Touch Down Jesus.”)

Ed also told of his personal relationship with a chaplain at SAC Grissom AFB during his service. (Thank you, Ed, for this presentation! Good job. I will be asking around for future LOMs! -ed)

The usual Monthly Reminders:
Knights Links – Happenings in our State and Supreme
Click here to access the State Council’s Weekly News Brief

Click links for Supreme’s “Leave no Neighbor Behind”, “Into The Breach,” and “Everyday Heroes” videos.

Send all 4442 council activity reports to Ed Herger at “activityreport@kofc4442.org” The link will send the your email over to Ed’s email.

Please consult the parish bulletin and web home page for prayer opportunities, including the Saturday, 7:30 AM-8:30 AM men’s group at the St. Joseph Family Room, the Prayer Rosary on Sept 12, 3-5PM at MQP, and others.
August Knight of the Month: Ed Herger
Ed was cited for his volunteering to take over the duties of activity recording with the NH state council from Mike Banks. Ed only recently joined the council, and we thank him for stepping up.

Attendance Prize:
The drawing was held for the first time in over a year! The winner would have been William Berryman, not in attendance. The drawing next month will be for $20.

Closing Prayer:
led by GK Ron.

Prayer intentions for Vinnie Sarcione, Kay Barretto, Dennis Groulx, Dave Thompson, Alan Phair, Ken Akerley, Deacon Dave Costello, Pete Klecan, and Ed Lynch.

That’s a wrap!
Meeting adjourned at 9:34 PM.

Family Day Picnic and School Awards - Joe Stafford
Council 4442’s Family Day Picnic/In-door celebration, TAPs and Scholarship Awardees Announcement, was held on July 25, 2021, (after skipping a year (2020) due to COVID restrictions), and attended by approximately 68 members, family and friends. The weather was rain, clearing by the later afternoon, but no one complained (I didn't hear any). The preparation started on Saturday, July 24th, with setting up the tables and chairs in the Hall and purchasing and preparing of the food. First, a special thanks goes out to Ed Lynch for having the foresight to purchase a tent to fit over our grills/cooking area. And a second special thanks go out to Ralph Meile, Butch Kealey and Dave Thompson for being one of the first in on Sunday morning (even thou I forgot the donuts and coffee!), to start the food preparation. Also, a special thanks to Ed Lynch and Mike Petrilli for grilling/cooking outside under the tent. Father Marc blessed us with his presence and offered the opening prayer. The food lasted, with extra/leftovers to spare. The entertainment was performed by Eric Conover, Titled "Magic". It was received well and lasted approximately one hour. After the event concluded, the extra food was given to the Salem Fire Department, the staff was very happy to accept the eats!

I want to personally thank Al Hamel, who through his perseverance and charm collected $245.00 for the 50/50 drawing. Paul Lavoie Sr. won the drawing.

(continued on next page -ed)
Repeatedly, this year we had an army of volunteers which I’m truly grateful for. I just want to list a few that set up the grills, table and chairs on Saturday, July 24th, and the cooking and preparation on Sunday, July 25th. Not in any particular order:

**Saturday, July 24th - Tables/Chairs/Grills set-up**
Bill Richards, Chanel Simard, Ralph Miele, George Masciarelli, Gene Bryant, Don Simmons, Charlie Walsh, Julian Roy, Dave Thompson, Ed Lynch, Larry Belair, Butch Kealey, Rick Veilleux, Joe Stafford.

**Sunday, July 25th - Cooking & Preparation:**
Ralph Miele, Dave Thompson, Bill Richards, Butch Kealey, Elaine Kealey, Grill Master Ed Lynch, Grill Master Mike Petrilli, Al Hamel, Dick Collopy, Don Simmons, George Masciarelli, GK Ron Bourque, and many positive thoughts & actions of others.

Again, a big Thank You!

**College Awards:** There were 20 qualified applicants this year, each receiving a $1,000 award:
Emma Raymond, Anna Raymond, Heather Alfano, Alicia Faucher, Emelia Pendergast, Olivia Pendergast, Kaylyn Norris, Sean Norris, Cole Williams, Serena Uliano, Paul Lavoie, Carina Gargano, Carly Simard, Elian Bourgoin, Roman Fabrizio, Jared Burns, Jackson Burns, Shaun Collopy, Kiara Phair, Kathryn Scharn.

**TAPs (Tuition Assistance for Parochial Students): Mike Petrilli reporting:**
There were nine applicants who each received a $500 award; this is under the budget of $5,000 for the year.
The award recipients are:
Julia and Laura Balzano; Addison Banks; Ava Bettencourt; Thersa Hevey; Brian, Grace, and Thomas Reitano; and Whitney Stella.

GK Ron commented at the council meeting two weeks later: “We did receive one returned college award check. It seems one student was going to college when she applied, but now she’ll be sitting this year out. With all the distressing news we hear today, it’s so great to hear of a young person with integrity. She could have kept that check, and we never would have known the difference.”
Web Site Master and Email Distribution - help needed

The duties of the email distributor are pretty simple. If you have a GMAIL account for your personal email, you already have all the training you need. I would give you the user name and the password to the council gmail account. The group emails are already populated. The typical task is that when the GK sends out a message “to the moderator,” you take that message and forward it to the council. In the address line, just fill in the Bcc (blind copy) field with the group email name, and hit send. DONE! When new members come on board or leave, you add the name to the account “contacts” list and to the group email.

There is also an XL spreadsheet that we use to produce member lists and rosters. That also needs a bit of work to track membership changes. The email job takes about 2 hours a week, depending on the amount of mail blasts requested to be sent out.

The Web Site Master would be a challenge if the owner had to start from scratch. But the council web site is already functioning. The web service we have has a simple editor to change the web content. When a new edition of the newsletter comes out, the Web Master will upload the PDF file and post it onto the web site in the appropriate spots. The web master will also use the tools to update the site calendar and will upload photos and articles of interest, such as the family day picnic. You can add pages and shuffle the content using the built in tools. No need for HTML knowledge or other website programming languages.

The tool also has a mail handler. We use that handler to create aliases for emails to the leadership. For example, emails to “grandknight@kofc4442.org” go to the mail handler than is then forwarded along to the current GK’s personal email. This protects Ron’s personal email from web exposure. And as the officers change, the alias forwards need to be updated. The most recent example was with Ed Herger taking over from Mike Banks for the “activity report” email.

These web master job takes about 4 hours a month, usually just after the monthly meeting.

Contact me by email with any questions. I can give you a “demo” (using ZOOM) to show you exactly what the job is.

Birthday Wishes:

(Does anybody want me to continue this section? Let me know. It takes a bit of effort to get the dates sorted out. If no one really looks at this, I will stop. And for this issue, I ran out of room for the printed edition. - ed)
