

## ***Please Respond !***

February 28, 2011

My Dear Worthy Brothers, family and friends,

Here is an important change in our Knights of Columbus Council 4442 newsletter. Please review this information carefully; we need your answer!

Our newsletter is mailed to over 415 families. The cost of postage and printing is about \$500 per issue. Over a year's time, that is at least \$3,000 that we spend just telling our members what we are doing; it is money spent that we cannot use to support our community or our parish. At our last council meeting, after discussion, we have decided to advance into the 21<sup>st</sup> century and "go electronic" as the preferred means of getting our news into your hands. We will have the newsletter available on our council's web site, [www.kofc4442.org](http://www.kofc4442.org) for you to read. This has several advantages:

- We can include more photographs and have color,
- We can have more articles,
- We will save many dollars that we can use for our charitable works,
- We can still provide a paper copy for those who have no electronic access.

*Here's what we need you to do:*

**Go to the council web site [www.kofc4442.org](http://www.kofc4442.org) and click on the "Register for Newsletter" link, and fill out the survey electronically. Quick and simple!**

***OR***

**If you have no computer access, carefully remove this sheet from the newsletter and fill out the survey on the other side. Fold on the dotted lines so that the Council's return address shows on the front, the blank section is on the back, and your survey is hidden inside. Secure with tape or a staple, apply first class postage (Important!), and drop in the mail at your earliest convenience.**

That's all there is to it!

Thank you very much for your cooperation and assistance with this important project.
